**News-Release of the Akatarawa Recreational Access Committee Inc**

Issue 11.3, April 2017

**Two items in this very brief issue:-**

## **1. Wellington South Coast**

Our eyes and ears around there Barry Insull has the following to report:-

Word has filtered through that the bad weather has brought a slip down blocking driveable access to Red Rocks.

From what I gather machinery could well be required to open up the track.

Will keep you informed if I hear any fine detail.

Please pass word around.

## **2. ARAC AGM is Approaching**

Do make sure your Club (if you have one) has an appointed delegate, and that the delegate is nominated in writing to our Secretary ([secretary@arac.org.nz](mailto:secretary@arac.org.nz))
